# New Hampshire Task Force on TEACHING

PHASE II

## AGENDA January 3, 2012 4:00-6:30 NH DOE---Room 15

**4:00** Welcome and updates

**4:15** Reviewing state educator effectiveness plans

- Massachusetts
- Rhode Island
- Georgia
- Colorado

According to specific review criteria, e.g. methods for incorporating student performance, methods for combining multiple measures, data collection approaches for “educator practices,” and methods for determining evaluation results, task force members in small groups will review specific plans and evaluate challenges and opportunities for each plan against the criteria. Each group will review a single state plan in depth and report out to the rest of the group.

**5:30** Report out on state plans

- What features of these four state systems might we want to see in a NH educator evaluation system?
- What features concern us and that we’d like to avoid in a NH model system?

**6:15** Next Steps

- We will take the information you provide through this activity to bring an initial sketch of a NH model educator evaluation system back to this group in time for the January 24<sup>th</sup> meeting.

**6:30** Adjourn

**Task Force Meeting dates: Jan. 24<sup>th</sup>, Feb. 21<sup>st</sup>, March 27<sup>th</sup>, April 10<sup>th</sup>, and May 1<sup>st</sup>.**
